Since we can't get everything back to Dudek until end of this week, they won't be able to resubmit on Monday. They agreed to resubmit on Thursday the 26<sup>th</sup> all e-copies.

Donna,  
Emmet and I have spoken with Megan, you do not need to tell her to give us a call. FYI, Dudek is closed 12/24 and 12/25 and 1/1. So we will likely need all documentation back to us by COB Monday 12/23.  
Thanks,  
Rob

Donna,  
Emmet and I have placed our edited Noise chapter (2.6) files in the Revised EIR Chapters folder. Please forward to Dudek and include a statement for Megan to call either Emmet or me for clarification. We've also left a phone message on her answering system.

Thanks,  
Rob
